

LIST OF POSTER PRESENTATION

Nomor	Presenter	Institution	Title
1	Abban Putri Fiqa	Purwodadi Botanic Garden, Indonesia	Vegetation Composition in An Egon Submontane Forest Ecosystem Sikka, Flores Island, East Nusa Tenggara
2	Ade Sumiardi	Indonesia University	Laboratory Scale Bioremediation of Soil Contaminated Hydrocarbon by Indigenous Bacterial Consortium
3	Adolf J.N. Parhusip	Pelita Harapan University, Indonesia	The Application of Tamarind (<i>Tamarindus indica</i> Linn.) Extract as Natural Preservative for Fresh Black Tilapia (<i>Oreochromis niloticus</i> Linn.) during Cold Storage
4	Agung Sri Darmayanti	Purwodadi Botanic Garden, Indonesia	Tress Diversity in Tahura Nipa-Nipa, South East Sulawesi
5	Agus Kurniawan	Mathla'ul Anwar University, Indonesia	Effect of Adding Zeolite on The Sawdust Substrate to Optimize Nutrient Content of White Oyster (<i>Pleurotus ostreatus</i>)
6	Alfian Zein	Bung Hatta University, Indonesia	Coastal Community Empowerment through Minangkabau Culture in Relations to Increase of Income and Fishermen Welfare
7	Amaliya S. Permatasari	State University of Malang	pH Optimation and Effect of Composition in Cellulose-Carbon Composite to The Adsorption of Cd ²⁺ Ion
8	Daniel Peter Mantilen Ludong	Sam Ratulangi University, Indonesia	Reducing the Irrigation Rate on Summer Carrot (<i>Daucus Carota</i>) Crops tp Maximize The Water Use Efficiency
9	Diniatik	Muhammadiyah University of Purwokerto, Indonesia	Antioxidant Activity and Profile of Thin Layer Chromatography Methanolic Extract, Water Fraction, Ethyl Acetate Fraction of <i>Achantus ilicifolius</i> L. Leaves
10	Elfi Anis Saati	Brawijaya University, Indonesia	Increasing The Anthocyanin's Pigment Stability of Red Rose (<i>Rose</i> sp.) by Salt and Acid Copigmentation
11	Gatot Ciptadi	Brawijaya University, Indonesia	The Parthenogenetic Induction Improvement of M-II and Reconstructed Local Goat Oocyte with Crude Sperm Extract
12	Grecebio Jonathan Duran Alejandro	University of Santo Tomas, Philipine	Molecular Phylogeny and Conservation Status of The Philipine Endemic <i>Antherosteles</i> (<i>Rubiaceae</i>)
13	Hardoko	Pelita Harapan University,	Effect of pH and Temperature to Antibacterial Character of Seaweed Crude Extract of <i>Gracillaria</i>

		Indonesia	coronopifolia
14	Helly de Fretes	Satya Wacana Christian University, Indonesia	Pigment Composition, Photostability, and Thermostability Studies of Crude Pigment Extracts from Red, Brown, and Green Varieties of Red Algae <i>Kappaphycus alvarezii</i> (Doty) Doty
15	Heriyanto	Ma Chung Research Center for Photosynthetic Pigments, Indonesia	Spectral Analysis in The Absorption Spectra of Fucoxanthin: Photo-Stability and Thermo-Stability Studies
16	Karna Wijaya	Gadjah Mada University, Indonesia	Empowerment of Community in Wonokerto Village, Turi District, Sleman Regency through Bioethanol Production from Zalacca fruit Garbage
17	Lia Hapsari	Purwodadi Botanic Garden, Indonesia	Performance of Seven Accessions Banana Cultivars Triploid <i>Musa acuminata</i> Type (AAA) Collection of Purwodadi Botanic Garden
18	Lia Hapsari	Purwodadi Botanic Garden, Indonesia	Study of Tree Architectural Models on Some Selected Purwodadi Botanic Garden's Collection Plants Potentially as Run-Off Suppressor Under the Canopy
19	Mailinda A.H. Margareta	State University of Malang	The Effect of Absorbate Volume and Degree of Swelling on Adsorption of Dyes by Nata de Coco and Nata de Aquo
20	Maria Goretta Marianti Purwanto	Surabaya University, Indonesia	Preliminary Study on Antioxidant Property of <i>Typhonium flagelliforme</i> and Its Interaction with DNA
21	Megaria Christanti	Ma Chung University, Indonesia	Fence Plants – A Study of Photosynthetic Pigments Compositions and Their Crude Extract Photostability
22	Meillisa Carlen Mainassy	Satya Wacana Christian University, Indonesia	Dietary Contribution of Baelama Anchovy (<i>Thryssa baelama</i> FORSSKAL) from Apui Waters, Central Moluccas to Vitamin A
23	Meta Rivani	Indonesian Oil Palm Research Institute (IOPRI)	Lipase Catalyzed Transesterification of Palm Oil for Carotenoid Recovey
24	Meta Rivani	Indonesian Oil Palm Research Institute (IOPRI)	Molecular Distillation Optimization for Palm Carotenoids Recovery
25	Mochamad Denny Surindra	Diponegoro University, Indonesia	Analysis of Pressure Distribution on Slider Bearing with Slip Surface and Single-Grooved Textured

26	Muhtadi	Muhammadiyah University of Surakarta, Indonesia	Potential Activity of Meniran (<i>Phyllanthus niruri</i> L.) and Tempuyung (<i>Sonchus arvensis</i> L.) Herbs Extracts to Decrease Serum Uric Acid in White Male Mice BALB-C Strain Induced by Potassium Oxonic as A Candidate Anti Uric Acid Standardized Herbal Medicine
27	Nina Dwi Yulia	Purwodadi Botanic Garden, Indonesia	Prediction of The Rarity Status of Orchid Species, Study of The Genus <i>Phalaenopsis</i>
28	Nurkholis	Ma Chung Research Center for Photosynthetic Pigments, Indonesia	How Can Carotenoids Survive in The Presence of Oxidizing and Reducing Agents? – A Stability Assay
29	Rahayu Dwi Ariningrum	Ma Chung University, Indonesia	The Use of Garden Balsam as A Natural Dye: A Study of Pigment Content and Crude Extract Photostability
30	Ratna Handayani	Pelita Harapan University, Indonesia	Optimization of Antioxidant Activity Red Melinjo Skin (<i>Gnetum gnemon</i> L.) Extract Againsts with Combination Between pH and Temperature
31	Rony Irawanto	Purwodadi Botanic Garden, Indonesia	Seed Conservation in Purwodadi Botanical Garden
32	Titut Yulistyarini	Purwodadi Botanic Garden, Indonesia	Population of <i>Grammathophyllum speciosum</i> Blume at Taman Wisata Alam Bukit Kelam Area
33	Tuan Thanh Dang	Institute of Chemical and Engineering Sciences, Singapore	Two steps strategy for synthesis of ethyl 2-methyl-4,6-dioxotetrahydro-2H-pyran-2-carboxylate and 9-hydroxy-6-oxaspiro[4.5]dec-8-en-7-one
34	Yenny E. Rosdiana	State University of Malang	The Concentration Effect of Cd ²⁺ Ion and Cr ³⁺ Co-Ion on Adsorption Process by Nata de Coco-Carbon Composite
35	Yunita Eka Puspitasari	Brawijaya University, Indonesia	The Potency of <i>Rhizophora mucronata</i> Leaves Extract as Anticancer
