

Poster Presentation for Humboldt Kolleg			
Number	Presenter	Institution	Title
1	Abdul Gafur	FiberOne R&D, APRIL, Indonesia	The Roles of Soil Fungal Diversity in Sustaining Plantation Forest Production
2	Ade Kadarus-man	PT Inco Tbk, Indonesia	Quantitative Mineralogical Characterizations of Nickel Laterite from Sorowako and Pomalaa
3	Annisa Satyanti	Bogor Botanical Gardens, Indonesia	In Search for Indonesian Non-Palm Oilseed Species and Studies for Their Germination Under Changing Climate and Varied Soil Regimes
4	Antonio Carlos Laurena	University of the Philippines Los Banos	Development of Delayed Ripening (DR) and Virus Resistant (VR) Papaya by Modern/Conventional Biotechnology
5	Bernadetta Kwintiana Ane	Universitaet Stuttgart, Germany	CAGD: From Design to Virtual Prototyping
6	Bob Sugeng Hadiwinata	Parahyangan University, Indonesia	Joint Research Project on Counter-Terrorism and Democracy in Southeast Asia
7	Grecebio Jonathan Duran Alejandro	Santo Thomas University, Philippine	Establishment of Endemic Philippine Rothmannia (<i>Rubiaceae</i>) Inferred from cpDNA Markers: Implications on Its Conservation and Economic Importance
8	Hubert Emmanuel Harimurti	Indonesia University, Catholic University of Atmajaya	Special Speech on Indonesian Literature
9	Kim-Hui Lim	Hankuk University of Foreign Studies	Branding National Identity: A Comparison of Discourses on Cultural Ethos in Japan and Malaysia
10	Leenawaty Limantara	Ma Chung Research Center for Photosynthetic Pigments, Ma Chung University, Indonesia	Understanding of The Ground- and Excited States Properties of Chlorophylls and Carotenoids: The Key Knowledge for Their Applications in Food, Medical Treatment, and Health
11	Masum Ahmad	Bangladesh Agricultural University	Natural Resources of Sundarbans of Bangladesh and Their Conservation
12	Mochamad Sholichin	PT. HM Sampoerna, Tbk	Innovation through Companies R&D Function: Sharing Personal Experiences
13	Ocky Karna Radjasa	Diponegoro University, Indonesia	Phylogenetic Diversity of Marine Bacteria Associated with Healthy and Diseased Corals <i>Acropora</i> spp. and Their Roles as the Causative Agents of White Band Disease
14	Olusegun O. Lasekan	University Putra Malaysia	Systematic Analytical Approaches in Characterizing Flavour Volatiles: An Outlook at Palm Wine and Exotic Tropical Fruits

15	Oman Fathur-rahman	Syarif Hidayatullah State Islamic University	Developing Database of Indonesian Islamic Manuscripts
16	Rita S Sitorus	Indonesia University	Development of Ophthalmogenetics Study in Indonesia: How important is it?
17	Siti Isrina Oktavia Salasia	Gadjah Mada University, Indonesia	Characteristics of Staphylococcus aureus Isolates in Indonesia
18	Somma Pivsa-Art	Rajamangala University of Technology Thanyaburi, Thailand	Production of Biodegradable Polymers as Environmentally Friendly Materials in Thailand
19	Thu Nguyen	International University, HCMC	Radial Levy Processes

Oral Presentation for Humboldt Kolleg			
Number	Presenter	Institution	Title
1	Anton Josef Surjadi	Yayasan Energi Lestari, Indonesia	Promotion of Renewables in Indonesia: Promising Efforts But Not Easy
2	Mohajit	Institute of Technology Bandung, Indonesia	Financial Prospect to The Application of High Rate Water Treatment Plant System
3	Montarop Yamabhai	Suranaree University of Technology	Prevention and Treatment of Diseases by Prebiotics and Targeted ScFv Antibodies
